Clay

Diane,  
It was real  
nice meeting you.  
You are a real  
sweet person.  
Stay that way.  
Hope to see you  
over the summer  
& next year. Bye,  
K.I.T. 894-6167  
your friend  
Kathy Cohen

Diane, 6-22-78  
It's been nice knowing  
you all this time, I  
really liked having  
you in P.E. Hope  
I see you next  
year. Have a Bitchin  
summer this year.  
Maybe if you take

and I'll see you next year.  
Give me a call if you want.  
Kathy Cohen 892-5617

Diane,  
It's been a long year and I'm so  
glad you were part of it. You  
a really sweet person. met a very  
good friend to me. This class was  
the most of the time. Well have  
a great summer. Maybe I'll talk  
to you over the summer into  
next semester.

Diane,  
Well, it's really been nice knowing you & I hope you  
have a nice Summer. It's been fun playing Vollyball with you.  
But anyway, don't you hate people who write BIG, But I hope  
you have a really Bitchen Summer. Well, I might not be able to  
fill up the whole Page because there might not be enough time.  
Well, Hope to see you (maybe) next ~~year~~ <sup>year</sup>. I'm running out of  
things to say but I want to write, I'm in a writing mood.  
This is getting boring and I ~~can't~~ can tell cuz you look a little bored.  
Sorry about my writing but it's the fucken open, it's really  
been fun playing with you 3 at P.E. (Play Vollyball).  
I will remember you + Vicky and that crazy Cheryl.  
all 3 of you are a bunch of lunatics. But that's besides the  
point. I'm gonna miss you all, >. But I'm gonna see you  
next year But I'm not gonna see Cheryl + Vicky. So anyway,

Love ya Kap in Love  
always  
Lathy  
894-8538

Diane,

I've known you for quite  
awhile now, and it's been a  
pleasure. You have really  
changed (for the better) since  
I've known you. You're not  
always on the positive side....  
But when you make up your  
mind to do something, I must say  
you really do it! Hope to see you  
over the summer. Love always, Judy Sweet

# Senior Breakfast January 26, 1978 Busch Gardens

Warming up on a cold morning.

David and Alan entertaining their classmates.

Senior songleaders show their spirit.

The breakfast was held in New Orleans Square in Busch Gardens.

Two of our MC's, Tony and Aline.

Is this mouth big enough for **HIS** foot?

You too can have a harum for only two camels!

Did you hear the joke about the sleeping MC?

Dan turns beet red after receiving biggest blusher.

Why did I come to this breakfast anyway?

Although the Monroe varsity football team finished with a 1-4 league record during the 1977 season, there are enough high points to keep the team and its supporters from feeling glum about their accomplishments.

The Vikings gave three highly ranked teams — Washington, Gardena, and Kennedy — tough battles before losing. In addition, Monroe upset Jefferson 13-12, trounced Hamilton 48-16, and scored a surprise league victory over Birmingham, 21-9.

Dave Radcliffe, the Valley's leading punter, was named most valuable player on the team, while quarterback James Baker and Chet Ciccone, leading receiver, formed a potent passing combination. Speedster Paul Anderson was top running back, and Lee Orsino, foremost offensive lineman, and Mike Clifton was the top defensive player.

As Mid-Valley Co-Champions, the Bee team showed considerable improvement from last year. They won three out of four games from the inner city teams in non-league play which was a major accomplishment. With six players making All-League, it helped the team in tough battles in league play. J. B. Romanowski was awarded Player of the Year in the Mid-Valley for his excellent performances. All together, the Bee record was 7-2-0.

Coach Rankin contemplates victory

Although this year's Varsity basketball team did not possess one star player, it proved that teamwork is what counts.

The many fine players ended league play with a 3-7 record, which allowed them to enter the playoffs. In an exciting conclusion, Monroe won the tiebreaker against Van Nuys, 80-79, in overtime. This win pushed Monroe into the playoffs with a disappointing finish against Fremont.

Shutterbugs!

A warm night and a large, spirited crowd created the perfect setting for our Homecoming. This year, Monroe celebrated its twentieth birthday, and the theme, "You've Come a Long Way, Monroe!" inspired each class to come up with original ideas. The seniors stirred up a giant birthday cake, the junior class produced a track star, and the sophomores delivered their award winning stork carrying a Mr. Viking. It was a proud moment for the sophomore class when they won the float contest and broke the jinx which has been on the tenth grade class since the first Homecoming game. It was also an exciting moment for Lory Stephens and Mike Clifton when they were crowned as Homecoming Queen and King for 1977. This year's Alumni Secretary, Jann Nakabayashi, along with her Homecoming committee, planned this year's Homecoming program to make it a memorable one.

# Student Council Fall 1977

Student Body President — Glen Freedman

Student Body Vice-President — Jan Akahoshi

Student Council has finally broken the communication and productivity gap between the students, administration and faculty. This was accomplished when Student Council, the administration and faculty mutually recognized the problems at Monroe and arrived to a solution by constantly reporting to each other through meetings and discussions.

Student Council would like to thank everyone for their support and suggestions to improve Student Council and hope that it will continue.

Sandra Hope, our Foreign Exchange student from Barbados

My name is Sandra Hope. I am 17 years old, and I come from a small island in the Caribbean called Barbados. The island is about 166 square miles and is divided into 11 different sections. The capital is a town called Bridgetown. Barbados is known for its beautiful beaches, friendly faces, and its excellent seafood. One can spend a day relaxing on the beach or go sightseeing. To end your day, you can join in on the night life, and go to one of the many night clubs. At home in Barbados, I attend a Roman Catholic boarding school which houses 300 students. I have already completed school there, and I am now repeating the 12th grade here at Monroe. In the United States, I am staying with the Miner family, and my host sister, Glenda, is also a senior here at Monroe.

My stay here in the United States has been both a learning and exciting experience, and I thank everyone who has helped me during my stay here. It has been a year full of pleasure and warmth. My fondest regards to all. I encourage all of you to become involved in AFS and shake hands with the world. I guarantee that it will be a worthwhile experience. If anyone would like to write me, I would like to hear from you. My address is: Miss Sandra Hope  
5th Ave. Rendervous Gardens  
Christ Church  
Barbados, West Indies

AFS is the place to get involved

Michael Hindevad, from Denmark, through Youth for Understanding

Alexis MacLachlan was our AFS student last summer in Trujillo, Peru.

My name is Michael Hindevad, and I come from Denmark. My home is in a small town outside of Copenhagen, the capital of Denmark. I have come to the United States through an organization called Youth for Understanding. Here in the United States, I am staying with the Raines family, and my American host brother, Tom, is also a student attending Monroe. My school in Denmark is different from the schools in America. Our high school in Denmark is finished after ten years of education. After high school, you can go to the Gymnasium, which is similar to the junior colleges in America. When I return to Denmark, I will attend the Gymnasium for the next two years.

I have enjoyed my stay in America very much. If anyone ever comes to Denmark, I will be very happy to see them. My address is:

Michael Hindevad  
Geelsmark 6, 2840 Holte  
Denmark

"Make the best of this experience because you will never have an opportunity again." This is what I told myself when I received news that I would be the American Field Service Student representing Monroe High School for the summer of 1977.

I lived in Trujillo, Peru, which is an eight hour bus ride north of Lima, Peru's capital. (Trujillo is a town on the beach, and although equal to the San Fernando Valley in population, it is the third largest city in Peru.) I lived with Dr. Luis Tincopa Montoya, his wife, five children, a live-in maid, and a woman who came to the home six days a week to cook and wash clothes. At first I was lost. Everybody looked alike and spoke too fast. There was something very special about the family I stayed with. I never felt alone and they treated me as one of the family. I was close to my family, but I feel like a real sister to Romy, who is also seventeen years old. It's funny how girls from entirely different backgrounds can have so much in common.

This experience has made me grow up and has helped me to appreciate people for what they are. I saw a lot of things one cannot read or be taught; but, must be experienced for themselves. I met and became close to quite a few people. Sometimes one has to see a person or place to realize how fortunate he or she is, because they have SO much. The meetings and orientations told me almost everything — everything except how to say good-bye to a family, friends, and a new place I had become attached to.

This year marching band has made superb accomplishments, and put Monroe on the map of known schools. The biggest accomplishment this year was to make the City-Semi-Finals, and then the Finals at the Sports Arena where they finished third in their division.

Band did many activities outside of school to represent Monroe. They also entertained during the halftimes of the football and basketball games.

Next year is the year that band will get their uniforms. They also hope for new drums and tall flags. The band consists of many outstanding musicians, and people who care about the band and the school.

Diana -

It's been fun in History and Physiology. Well I had fun always working with your group, you are so intelligent. I hope we can remain friends for a long time to come. Maybe we'll have a class together next year. You are a very sweet person and don't you dare change or I'll beat you up. Just kidding Miss Beckini! Have a great Summer and PLEASE keep in touch.

782-2409 Love -

Kim

Dear Diana,

It's been a most interesting year, & you know with good old Courtney. He was the most interesting teacher ever. Don't you agree? And Iw's class with all the dissections of brains, livers, hearts, kidneys etc. Yummy!

No, but seriously I hope that next year we have a class together. But let's get a better teacher in Fort. Don't let it be Courtney.

Have a great summer. And until next year Bye.

Love  
Mina

**Dr. Davis,**  
Principal

This 1977-78 school year marks the 20th anniversary of James Monroe High School. As I review the achievements of our students and the honors and awards earned over the past two decades, I feel a very strong sense of pride and satisfaction.

The past five years, during which I have been privileged to serve as your principal, can best be described as an "Era of Change." We have had changes in our curriculum, changes in programs and activities, and changes in the composition of our student body. For the foreseeable future, at least, it appears that "change" will be our constant companion.

Teachers, students, parents and the community can rightfully be proud of their demonstrated ability to adjust to change. This flexibility has been greatly appreciated by your administrative team, and by our two fine parent support groups, the Parent-Student-Teacher Association and the School-Community Advisory Council.

"Achieve With Honor" is our school motto. If all of us keep this in mind and continue to strive for excellence, future "Vikings" can look forward to greater and even more successful years ahead.
